Education for The Future

# SEKOLAH GLOBAL INDO-ASIA

## VISION

Sekolah Global Indo-Asia (SGIA) is a leading world school for educational excellence by providing the highest quality standard of services.

## MISSION

Sekolah Global Indo-Asia's (SGIA) mission is to foster a life-long love of learning in order to develop competent, respectful, compassionate and knowledgeable students who have the confidence and integrity to fulfill their dreams, strive for the betterment of mankind, and achieve their potential as responsible world citizens.

## - CORE VALUES -

### COMMITMENT

We pursue excellence in everything we do.

### RESPONSIBILITY

We are reliable and follow through on commitments. This includes being responsible for our actions as family members, teachers, students, and citizens.

### INTEGRITY

We act with honesty, fairness, care, and universal respect for mankind.

### COMPASSION

We demonstrate responsibility through service to others and self-control.

Education for The Future

# OUR PROGRAMME

SGIA was authorized by the International Baccalaureate (IB) in 2009 to implement the Primary Years Programme (PYP) for students from Kindergarten 1 to Grade 5 (3 - 11 years old).

The PYP offers a transdisciplinary, inquiry-based and student-centred education with responsible action at its core, helping students to learn between, across and beyond traditional subject boundaries. The PYP framework provides a clear guideline for the school to develop our curriculum that is engaging, significant, challenging and relevant for our primary students. The national competencies are integrated with the teaching and learning processes under the PYP framework, which is based on conceptual understanding.

The curriculum is organized around six Transdisciplinary Themes:

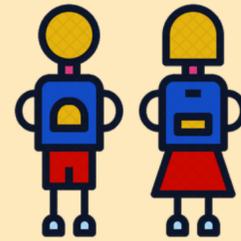

- Who we are
- Where we are in place and time
- How we organize ourselves
- How we express ourselves
- How the world works
- Sharing the planet

## PRIMARY DEPARTMENT

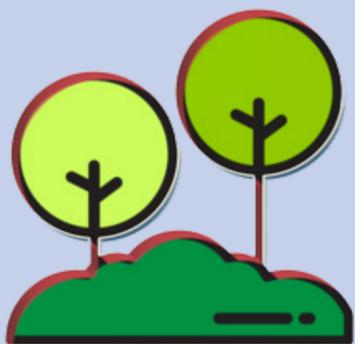

Our school is strategically located at the heart of Batam, with two very convenient and safe accesses.

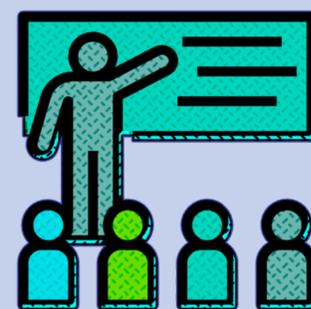

The Primary Department includes the Early Childhood Centre/ECC (Pre-K to Kindergarten 3) and Elementary School (Grade 1-5).

Our campus is designed to fit the specific needs of our students. The school is fully air-conditioned and all rooms are furnished to provide a familiar environment for students.

Our five-hectare campus boasts beautifully landscaped and spacious greeneries.

Our low teacher-to-student ratio (1:7) provides your child with the detailed attention they need to learn and flourish.
